Profile

Hi, I'm Alan Chris Antony, a passionate self-taught python developer. My passion for software lies in dreaming up ideas and making them come true with impressive results. I take great care of the experience, architecture, and code quality of the things I build.

Other Interest

Playing music and · of course · listening to music are two of my favourite pastimes.

Skills

Python

Linux

Networking

React

JavaScript

C

Java

The skill scale is from 0 (Fundamental Awareness) to 5 (Expert).
